

# First Aid at Work (FAW)

## Overview

This three day course follows the full HSE first aid at work syllabus with additional occupational elements. The HSE requires the employer to have suitable persons first aid trained on the premises at all times. These first aiders must have attended an approved first aid training course. This course is designed so that delegates gain the required knowledge to act as the nominated first aider.

## Prices

|               |                          |
|---------------|--------------------------|
| Open Course   | £250 per delegate        |
| Group Booking | £2000 (Max 12 delegates) |

## Who should attend

This course is aimed at employees nominated as the first aider for their workplace. Delegates do not require any previous experience.
