

NVQ Level 2 Certificate in Wall and Floor Tiling (via OSAT)

This qualification is ideal for individuals who work as wall and floor tillers in the construction sector. It provides an opportunity for them to demonstrate their competence in this area and gain a Level 2 NVQ Certificate in Wall and Floor Tiling.

It covers the preparation of the background before beginning wall and floor tiling, and then goes on to cover the skills and knowledge needed for wall and floor tiling.

Upon completion, learners show that they have the required skills and knowledge and are competent in this specialist trade area. The NVQ is assessed through on site assessment (OSAT) by experienced and qualified staff involved in this field. The NVQ is normally needed to obtain a CSCS card. NVQs are the most respected formal qualification in the construction industry, offering proof of a candidate's practical skills and competence in construction.

The course assesses competence against the following units:

- Conforming to General Health, Safety and Welfare in the Workplace
- Conforming to Productive Working Practices in the Workplace
- Moving, Handling and Storing Resources in the Workplace
- Preparing backgrounds to receive wall and/or floor tiling in the workplace
- Tiling wall and floor surfaces in the workplace

Assessment

Learners are required to develop a portfolio of evidence that demonstrates competence in each area supported by an experienced OSAT Supervisor from the Construction sector. There will normally be a minimum of 2-4 visits on site by your allocated OSAT Supervisor. The initial visit will assess a learners suitability for the qualification through a Q & A profiling exercise.

Evidence will be gathered using witness statements, photographic evidence, written evidence and professional discussion. On successful completion of the course you will receive a Level 2 NVQ Certificate in Wall and Floor Tiling.

Awarding body

This qualification is approved through City & Guilds.

Entry Requirements

Learners must be experienced and practicing workers in the Construction sector. It is expected that learners will have a minimum of 3 years experience in a relevant trade.

Length

Between 3 and 12 months depending on experience and evidence provided through site visits.

Related Courses

This programme is part of a suite of construction qualifications including the NVQ Level 3 in Occupational Work Supervision.

Grant

Additional funding may be available to support this qualification through a number of schemes. Eligibility criteria applies. Please contact 01554 748344 for more details. CITB Achievement grants of £400 are available for levy payers plus uplift. Scope and eligibility will need to be assessed prior to registration.

CSCS Card

Successful learners can obtain the Blue Skilled Worker Card. In all cases applicants must pass the appropriate CITB Health, Safety and Environment test.
