

# NVQ Level 3 Diploma in Interior Systems - Dry Lining/Ceiling Fixing (via OSAT)

This qualification is for learners who work as a dry liner/ceiling fixer in the construction sector – Interior Systems. It is a competency based programme and is a measure of your ability to carry out a range of work to criteria which has been set by the industry.

Upon completion, learners show that they have the required skills and knowledge and are competent in this specialist trade area. The NVQ is assessed through on site assessment (OSAT) by experienced and qualified staff involved in this field. The NVQ is needed to obtain a CSCS card. NVQs are the most respected formal qualification in the construction industry, offering proof of a candidate's practical skills and competence in construction.

The course assesses competence against the following units:

- Conforming to General Health, Safety and Welfare in the Workplace
- Confirming Work Activities and Resources for an Occupational Work Area in the Workplace
- Developing and Maintaining Good Occupational Working Relationships in the Workplace
- Confirming the Occupational Method of Work in the Workplace
- Co-ordinating and Confirming Dimensional Control Requirements of the Work in the Workplace

## Pathway 1

- Installing Complex Dry Lining Systems in the Workplace

## Pathway 2

- Installing Complex Suspended Ceiling Systems in the Workplace

### **Assessment**

Learners are required to develop a portfolio of evidence that demonstrates competence in each area supported by an experienced OSAT Supervisor from the Construction sector. There will normally be a minimum of 2-4 visits on site by your allocated OSAT Supervisor. The initial visit will assess a learners suitability for the qualification through a Q & A profiling exercise.

Evidence will be gathered using witness statements, photographic evidence, written evidence and professional discussion. On successful completion of the course you will receive a Level 3 NVQ Diploma in Interior Systems (Construction).

### **Awarding body**

This qualification is approved through City & Guilds.

### **Entry Requirements**

Learners must be experienced and practicing workers in the Construction sector. It is expected that learners will have a minimum of 3 years experience in a relevant trade.

### **Length**

Between 3 and 12 months depending on experience and evidence provided through site visits.

### **Related Courses**

This programme is part of a suite of construction qualifications including the NVQ Level 3, 4 and 6 in Site Supervision/Management.

### **Grant**

Additional funding may be available to support this qualification through a number of schemes. Eligibility criteria applies. Please contact 01554 748344 for more details. CITB Achievement grants of £400 are available for levy payers plus uplift. Scope and eligibility will need to be assessed prior to registration.

### **CSCS Card**

Successful learners can obtain the Blue Skilled Worker Card. In all cases applicants must pass the appropriate CITB Health, Safety and Environment test.
